EXPERIENCE

Causal Inference Study

June 2018-January 2019

- Studied the validity and application of causal inference graphical model structures and causal diagrams introduced in the Causal Inference book, written by Miguel Hernan and Jamie Robins.
- Discussed and analyzed book contents thoroughly to demonstrate theoretical results and data results introduced in the book with my faculty advisor.
- Focused on analyzing the application of causal models in relation to confounding and conditionality.
- Prepared and presented research materials in a weekly seminar independently.

Math Teacher, SDC International School, Seoul, Korea. June 2016-December 2016

- Interacted with over 150 students as a math/statistics instructor for 30 hours on weekdays.
- Taught 6 algebra, calculus, and probability classes in both Korean and English.
- Provided supervision and assistance of group studies.
- Selected and created test questions with math instructor department head.
- Assisted and managed 30 students intensively for college preparation and college education.
- Supervised students' club meetings and activities on a regular basis.

Republic of Korea Army, Military Skills Translator

- One of one hundred people chosen as an Army Translator in a nationwide exam.
- Studied diverse global affairs, economic policies, political and diplomatic relations of countries, and socio-cultural concerns.

EXTRACURRICULAR ACTIVITIES

Davis Christian Fellowship (DCF), Davis, CA.

June 2018-2019

- A member of Davis Christian Fellowship club.
- Participated in a weekly meeting for Bible studies and club activities.

Missionary, Davis Korean Church, Davis, CA.

May 2017-August 2017

- Participated in weekly conference and volunteer work for church community and church service for three months before leaving for an Arizona mission.
- Served as a staff member of a missionary team to support the Apache tribe Christian community and their church.
- Took care of and interacted with the Apache tribe children and served as a cook for the Apache community.
- Helped the Apache tribe youth learn the gospel and the New Testament.
- Remodeled and painted inside and outside of the Apache missionary church buildings.

Captain, Davis Soccer Club, Davis, CA.

April 2017- June 2017

- Led the Davis intramural soccer club team by scheduling individuals to train and play at weekly games.
- Helped my team to make the college club competition playoff.
- Interacted with diverse ethnic and racial players such as, Mexicans, Brazilians, Peruvians, Chinese and Americans.
- Scheduled and led a weekly practice with team members.
- Took the initiative to instill respect, collaboration, integration, and encouragement in our team.
